

**Mitch & Colette Mencis**  
Camp Owners

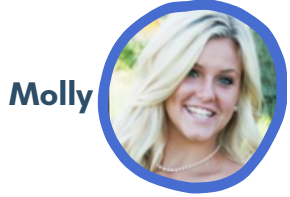

Mitch and Colette have over a combined 40 years of experience working with school age children in public, private, and camp settings.

Colette looks forward to bringing her organizational skills to make the business side of Sandlot run smoothly this Summer. Mitch looks forward to continuing his passion for getting children outside and involved in healthy activities. They are both excited to see children running around and enjoying the outdoors for Camp Sandlot's 24th year!

**Sandlot Leadership Team**

*It has been said that "it takes a village to raise a child" and we, at the Sandlot, are taking that rather literally this year. Our senior staff members each bring a unique skill set which collectively makes our program the most safe, creative, organized, and fun program that it has become.*

We are proud to introduce the 2023 Leadership Team of the Sandlot program.
